“

Funchal, on an April morning.

Eve loved surprises so it was with the greatest enthusiasm that she got the news of her best friend's wedding. Immediately she made arrangements for a bachelorette getaway with their inseparable groups of friends. It would have to include sun, fun and... flowers.

Adults only

Seriously relaxing and seriously fun.

Gardens Hotel takes your vacation very seriously. That is why the hotel experience was designed with focus on the sophisticated and high-quality experience you are looking for and kept any distraction or disruption out of it.

All seriously delicious

For such a small island, Madeira concentrates so much amazing gastronomy. And when this delicious identity meets inspiration from around the world, well then it becomes really complicated to find a reason to leave the table. That is why you find so many tables and different menus, so you can seriously try everything everywhere around the hotel.

The best for your rest

The hotel has seriously relaxing
132 rooms
